

Belgrade, January 20, 2018.

Dear table tennis fans,

On the occasion of the celebration of the 90th anniversary of the foundation of Serbian Table Tennis Association, in cooperation with its general sponsor, Table Tennis Veterans Association of Serbia organizes the international veteran tournament "MERIDIAN SERBIAN OPEN".

Nine decades ago, lovers of this beautiful sport made the decision to establish the Yugoslav ping-pong alliance and the founding assembly took place on April 14, 1928 in Sombor, and the day after the first state championship was held.

By organizing the international tournament, Table Tennis Veterans Association of Serbia would like to gather competitors, table tennis fans and friends from the country and abroad, to contribute the anniversary celebration of this significant event.

We hope for a great response, a fair play and that we all will have a good time in Belgrade.

We want all the participants a lot of success.

Respectfully yours,  
Zvonimir Britka, President of Table Tennis  
Veterans Association of Serbia
